

Government Programs

Important deadlines

1. Make an accurate count of inventory as of December 31, 2023. Include average weight for livestock and feed and the grade of crops.
2. You must complete the 2023 AgriStability application by September 30, 2024.
3. The continuity schedule is available from our office.
4. Pay the AgriStability fee within 30 days of receiving your 2023 fee notice or by April 30, 2024.

AgriInvest

For 2023, farmers must contribute 1% of their allowable net sales (maximum \$10,000) for the government to match it. You must make your deposit to your AgriInvest account at your bank by the deadline on your deposit notice. This is a 100% return on investment and can currently be withdrawn at any time.

Metrix Group's Electronic farm book

If you currently use the farm book provided to you by our office, and you would like to change to an excel based electronic version of this book, please contact us. We will provide you with one.
